WHAT IS THE DUAL CAREER PROGRAM?
The Dual Career program provides personalized assistance to new faculty spouses and partners in their job search. Employment is not guaranteed, but the Dual Career team will assist in the entire job search process.

Eligibility
Spouses or partners of newly recruited faculty or administrators, who have lived in the area for less than one year.

Services
- General information on employment in the region.
- Review of resumes, cover letters, and other job-related documents.
- Networking opportunities.
- Career exploration.
- Job coaching.
- Mock interviews.
- Job search strategies.
- Relocation resources.

The Dual Career Program Works!
71% of clients who have been hired have found employment at Virginia Tech.
29% of clients who have been hired have found employment in the region.
