Your dental benefits

As an employee of The Commonwealth of Virginia, your dental benefits are administered by Delta Dental of Virginia. With Delta Dental you have your choice of more than 8,000 dental locations throughout Virginia and more than 472,000 dental locations across the country.* All dentists who have agreed to participate in a Delta Dental network will file your claims for you, will accept Delta Dental's allowances for services (in addition to any required coinsurance and deductible) and will abide by Delta Dental's guidelines for dental treatment.

THE DELTA DENTAL NETWORK

Delta Dental offers Commonwealth of Virginia members its largest network, with more than 85% of all dentists in Virginia.** When you receive your dental care from a Delta Dental in-network dentist, you will not be responsible for any charges that exceed Delta Dental's allowance for the covered services you receive. This means your out-of-pocket expenses will be limited to the amount of your coinsurance, deductible and any amounts that exceed your annual or lifetime maximums.

DELTA DENTAL IN-NETWORK DENTISTS

- In-network dentists will have claim forms in the office and will complete and submit to Delta Dental at no charge.
- Payment will be made directly to the dentist for covered benefits.
- The dentist will accept Delta Dental's allowance for covered benefits. This means that you pay only the applicable coinsurance and deductible for these covered services.

RECEIVING CARE FROM DENTISTS OUTSIDE THE DELTA DENTAL NETWORK

Should you decide to receive dental care from a dentist who is not a member of the Delta Dental network, you will still receive benefits from your dental plan, but your share of the cost will likely be higher than if you visit an in-network dentist. In addition, you may have to file claims yourself. Here are a few more reasons why visiting an out-of-network dentist could cost you more:

- You may be required to pay an out-of-network dentist in advance for the entire bill, complete claim forms and submit to Delta Dental.
- Payment will be made directly to you unless your dentist agrees to accept payment from Delta Dental.
- Out-of-network dentists have not agreed to accept Delta Dental's allowance for their services. This means that, in addition to what Delta Dental pays, you must pay the applicable coinsurance and deductible and difference between the out-of-network dentist's charges and Delta Dental's payment for covered benefits.

FINDING A DENTIST

Delta Dental of Virginia makes it easy to find a dentist. To locate a dentist that participates in your Delta Dental PPO Plus Premier™ plan, log into the member portal at **DeltaDentalVA.com**. After logging in, go to the Find a Dentist tab to search for an in-network dentist near you. You can also find a dentist on the mobile app. You can select “Continue as a guest” on the home screen to find a dentist without logging in — but note, selecting that option provides search results that may include out-of-network dentists.

Questions & answers

How can I find out if my dentist participates with Delta Dental?

- Login at **DeltaDentalVA.com** or the Delta Dental mobile app to find an in-network dentist near you.
- Call The Commonwealth of Virginia Service Team at 888.335.8296 from 8:15 a.m.-6:00 p.m. EST, Monday – Thursday and 8:15 a.m.-4:45 p.m. EST on Friday.

How can I avoid unexpected charges for dental care?

- See a Delta Dental in-network dentist. Visiting an in-network dentist can help reduce your out-of-pocket costs for dental care.
- Have your dentist file a pre-determination of benefits (recommended for services over \$250) to see how much you may owe.
- Call the Commonwealth of Virginia Service Team with any benefit questions at 888.335.8296.

What will happen if I go out of network?

You will be responsible for paying the difference between an out-of-network dentist's charges and Delta Dental's payment. The dentist is not required to file the claims for you, and you may be required to pay the dentist at the time of service. You may then have to file a claim for reimbursement from Delta Dental.

Can I access my information online?

Yes. Delta Dental offers members the ability to view claims and eligibility, access claim forms, estimate costs, find a dentist and more. Register at **DeltaDentalVA.com** or download the Delta Dental mobile app to access your dental benefits.
