  • Flexible Spending Accounts (FSA)
    • Health FSA
    • Dependent Care FSA

• Plan Year – July 1 through June 30
• Open Enrollment – First two weeks of May each year
Health Benefits Enrollment

- Employees have 30 days from the official start date found on the offer letter they received to enroll in health insurance and/or flexible spending accounts. Benefits begin the first day of the month following date of hire. If deadline is missed, only can enroll during:
  - Open Enrollment – each year around the first two weeks in May (watch for announcements). Effective date is July 1st
    - 2022-2023 Open Enrollment: May 2nd-May 16th

- Online using Cardinal HCM
- A submitted enrollment forms and approved enrollment requests made using Cardinal cannot be changed after the effective date
- Documentation is required for dependent enrollment

$2,000 per enrolled member per plan year for primary and complex services.

**Primary Dental Care:** fillings, simple extractions of natural teeth and surgical extractions of fully erupted teeth, root canal, care for abscesses, repair of broken removable dentures, removing infected parts of the gum, scaling and root planning of the gum, stainless steel crowns for primary teeth only, periodontal evaluation, periodontal maintenance limited to two per Plan Year

Buy-Up Options: Expanded Vision

The expanded vision option is offered to COVA Care and COVA Health Aware Participants and includes coverage for eyeglasses and contact lenses.

Once per plan year:

- The plan pays $100 towards frames and you would pay 80% of the balance.
- You have a $20 co-pay for lenses. Please keep in mind that these lenses include your standard plastic lenses.
- The plan pays a set dollar amount towards contact lenses and you would be responsible for either the balance or a percentage, depending on what type of contact lenses you purchase.

For additional information please stop by the HR Office to request a copy of the vision brochure per each policy.
The routine hearing option is offered under COVA Care and includes:
• One routine hearing exam every plan year
• $1,200 towards hearing aids once every 48 months.
Buy-Up Options: Out-of-Network

Lastly, the Out of Network buy-up option is offered under COVA Care. With this option Anthem will reduce their payment by 25%. You would be responsible for paying the 25% reduction plus the balance billing from the out of network provider.

You will be responsible for any Deductible, Coinsurance or Copayment that applies. You also pay any amount the non-network Provider or Facility charges over the Allowable Charge (Balance Bill). Payments for Out-of-Network claims are paid directly to you rather than to the Provider. It is your responsibility to pay the Out-of-Network Provider or Facility.
