Performance Management Introduction

The performance management program at Virginia Tech is used to help define and evaluate performance expectations. This program covers all University and Classified Staff. In addition, there are some areas of the university that use the program for AP faculty. The annual performance review period runs from November through October, in concordance with the State fiscal cycle. The following provides a brief description of the performance cycle.

- November begins the plan year with the review and implementation of the plan goals, competencies and career goals. Throughout the year, the plan can be modified and enhanced according to ongoing projects, performance adjustments, coaching and feedback.

- In August (may be earlier or later depending on the department), the supervisor requests employee input on overall job performance. This is the time for the employee to complete their self-evaluation based on the plan year goals. Once the self-evaluation is complete, the supervisor can begin their review of the employee. The supervisor completes their draft of the evaluation and sends it to the reviewer by the beginning of September.

  **Note:** There may be variations in the timeline depending on your senior management area.

- Once the reviewer is satisfied with the evaluation, they submit it to the Budget Authority. Depending on management, the evaluation is either forwarded directly to the supervisor so that it can be communicated to the employee; or a senior management group may review the evaluations prior to releasing them to the supervisors for communication.

- The supervisor schedules a meeting with the employee to discuss the finalized employee evaluation before releasing the electronic copy to them.

- The supervisor and the employee should discuss the final evaluation no later than the end of October.

- The plan process begins again in November.

*If there are any questions or if you require assistance with the performance management tool, please contact University Employee Relations: Rodney Irvin (540-231-5303), Vickie Mitchell (540-231-2850), or Tina Kapalin (540-231-4272).*

**Other Resources**

**Performance Goals and/or Job Responsibilities** involves establishing specific, measurable objectives (outcomes) to be accomplished within a specific time frame and/or using a specific approach. These objectives can be a mixture of short- and long-term, innovative and routine, but should all be aligned to the college/department’s goals and strategy along with providing a clear link to everyone’s success.

**Goal Theory** setting suggests that it can serve as an effective tool for making progress by ensuring that participants have a clear awareness of what they must do to achieve or help achieve an objective.

**Goal setting** helps employees focus on specific aspects of their job that are related to the objectives for that review period.

The S.M.A.R.T. tool should be used as a guide to ensure all goals are written clearly so everyone knows exactly what will be achieved, when they will be completed, and to what standards.
Competencies behaviors, attributes or skills that are predictors of personal success in the workplace.

There are three universal competencies that have been pre-defined for all staff employees. They include:
- Teamwork
- Maintaining a Safe and Secure Work Environment
- Diversity Commitment

There are two additional competencies that are preselected for supervisors. They include:
- Engagement
- People Development

The job specific competencies are unique to each employee. Three to five job specific competencies should be selected. The selected competencies reflect how your work should be carried out and may be areas of specific focus for your job. It is essential and highly recommended to meet frequently throughout the year to deliver competency feedback. Waiting until the yearly evaluation time causes a disservice to the employee and the department, especially when there is unsatisfactory performance or other issues that negatively affect engagement.

Career Development is often overlooked during the performance planning and review process. This is an opportunity for the employee and supervisor to discuss future plans in terms of professional development. If, for example, an employee wishes to move into a supervisory role in the next two years, then part of their career development plan may be to complete the supervisory skills workshops offered through University Organizational and Professional Development. In this case, the supervisor would be responsible for providing the funds to cover the cost of the program.

Remember that the career development plan is looking beyond the current performance review period towards acquiring skills for future opportunities. Training and other skills acquisition that is necessary for the employee’s current role should be included in the goals section of the performance plan.

**Hint:** Don’t wait until evaluation time to provide feedback!

Frequent collaborative meetings, including open conversations about goals, development plans, and performance, will keep employee and departmental plans on track and allow the yearly evaluation process to run smoothly without any surprises or upsets.

Creating Performance Plans

This option allows you to create performance plan for an employee.

1. Navigate to https://login.vt.edu/profile/cas/login?execution=e1s1 and click on Login to HokieSpa.
   On the next screen log in with your PID and password.

   Please Note: The system will time out after 30 minutes of inactivity so please save periodically.

2. Click on Hokie Team.
3. Scroll to the bottom of the screen and click on Performance Planning and Evaluation Tool.

5. Click on List Employees Where I am Defined as the Designee.

To display employees who are defined as AP faculty, check mark the **Display AP faculty** box and click on the **Apply** button.

6. Click on **View Plan** to create a new plan.

7. There are 2 different ways to create a performance plan.

   - **A**  Copy Last Year’s Performance Plan
   - **B**  Create a New Performance Plan

**Please Note:** Last year’s evaluation must be approved/accepted online by the employee before you can create this year’s plan.

**Copy Last Year’s Performance Plan**

If a performance plan was created in the previous year using the performance management online system, you may copy that plan for the current year.

- Click on the **Copy to Next Plan Year** button at the bottom of the screen.
Create a New Performance Plan

If a performance plan was not created in the previous year, you will see the option to create a new plan.

The purpose of an evaluation is to document how well an employee has met the expectations defined in the performance plan. During this process, the employee has an opportunity to perform a self-evaluation. The self-evaluation can be completed online through the performance management system or through the use other forms such as the Employee Work Profile Performance Plan and Evaluation (P112). The self-evaluation is used to document accomplishments as related to each performance goal/job responsibility and competency and allows an employee to summarize career development activities.

If a supervisor begins the performance evaluation process, a person who has the designee role may edit the evaluation but they will not have the access to submit the finalized version.

1. Navigate to https://login.vt.edu/profile/cas/login?execution=e1s1 and click on Login to HokieSpa. On the next screen log in with your PID and password.

Please Note: The system will time out after 30 minutes of inactivity so please save periodically.

2. Click on Hokie Team.
3. Scroll to the bottom of the screen and click on **Performance Planning and Evaluation Tool**.

4. On the **Performance Main Menu**, click on **Performance Evaluation Menu**.

   Click on **List Employees Where I am Defined as the Designee**.
As a designee, you will see a list of employees that contains position number, name, evaluation status, evaluation year and option to view evaluation. To display employees who are defined as A/P faculty, check mark the AP faculty box and click on the Apply button. You may only select an evaluation if the status is Supervisor Editing.
