Electronic Access for Campus Guests

This chart provides guidance for departments on the type of electronic access available for university guests and visitors, and for whom the department needs to provide one or more university services.

Method of establishing a guest	Purpose	Duration	Examples	Eligibility for services
Sponsored PID: The sponsor is a university department through the authority of the department head.	To provide individual affiliated persons with access to particular online services for a defined period.	Short-term. Maximum time is one year; renewals are permitted.	<ul style="list-style-type: none"> Attendees of summer programs (e.g., K-12 development programs) Faculty members visiting from other institutions 	May request e-mail access when the account is established; other services must be negotiated by the sponsor with the service provider.
Non-Paid Affiliation (P86): Individuals who work on behalf of the university but who are not paid through the university payroll.	To extend university recognition and services to individuals whose compensation comes from an alternative source.	Intended as a relatively long-term relationship in the same way as salaried employment is intended as long-term.	<ul style="list-style-type: none"> Virginia Tech Foundation employee ROTC faculty Contractors 	These individuals have the privileges and responsibilities of regular university employees, including the ability to obtain: <ul style="list-style-type: none"> Hokie Passport Parking permit Access to library Access to gym PID and online services available to VT active members
System-Specific	Useful when only one service is needed and that service can provide its own credential. No central system of identity management exists.	Short-term	<ul style="list-style-type: none"> Guest wireless access 	Only the service with the specific credential.
